CHURCH PLANTING MISSIONARIES IN GERMANY AND LIECHTENSTEIN

July-Sept, 2026

U.S. Trip

In July, Daniel and Kaylee traveled to the U.S. to take part in our sending church's 50th annual Tent Meeting. Pastors, missionaries, evangelists, and their families who had been sent out from Parkview Baptist Church, along with a host of former and current members, came together for a wonderful week of fellowship, gospel music, and Bible preaching. While we were there, we were also privileged to serve. Daniel preached twice, and Kaylee joined Daniel, his sister Joy, and our niece Ellie for some special music.

Before the week-long meeting began, however, we had another very special reason to celebrate. Mom and Dad Brown were celebrating a "50th" of their own! Their wedding anniversary celebration took place the weekend before the meeting, and it was a wonderful time. Family and friends traveled in from around the country (and across the world) to join us for a special evening celebrating God's goodness and His faithfulness throughout their many years of marriage.

Gospel Opportunities

Hans-Jürgen, a dear older brother in Christ, passed away early this summer. He professed his faith in Jesus Christ last year, and it was our privilege to visit and fellowship with him throughout the final stage of his battle with Parkinson's disease.

Because Hans-Jürgen was well known in Leutkirch, his funeral service was filled with mostly unbelievers. Michael and Jürgen directed the service, and Daniel was able to clearly preach the gospel. For several of those in attendance, this was their first time hearing the wonderful message of salvation through Jesus Christ alone.

Another incredible gospel opportunity was Leron's baptism. We have known Leron since he was a toddler. In fact, we have a picture of Leron and Tobi sitting in this exact spot together when they were 3-4 years old, watching Micah get baptized.

At the beginning of the summer, Leron placed his faith in Jesus Christ for salvation and immediately expressed a desire to be baptized. After carefully explaining the meaning and significance of baptism, we scheduled the happy day for the middle of August.

Furlough Plans

It's official—we're heading back to the U.S. for furlough!

As our time serving at the Leutkirch church comes to an end, we believe this is the right time to report to our supporting churches about what God has accomplished in Germany and Liechtenstein over the past 14 years.

Over the years, we've been able to make several short trips to the U.S., but because the German summer breaks are so short, we haven't been able to visit many of our supporters during those visits. With the Lord's help, 2027 will be different. We're looking forward to spending the year traveling throughout the U.S. and visiting you, our supporting churches and friends.

We'll also be using this furlough as an opportunity to sharpen our ministry tools and, Lord willing, acquire some tools we don't yet have. Biblical counseling and further linguistic training are two areas that both Deana and I hope to pursue during our time in the States.

Additionally, as the Leutkirch church adjusts to ministry under new leadership, we are planning two separate six-week trips to Germany in 2027 to provide assistance and encouragement. We are also considering a possible survey trip to a new area of ministry that we have been praying about. Many of these plans are still preliminary, but we wanted to keep you in the loop as we begin making preparations. So, here we go!

Starting in February, we'll be hitting the road across the U.S. to visit you, our supporters. If you and your church would like us to stop by, we would absolutely love to come!

We're currently planning our meetings in three blocks:

- Block 1: February–mid-March
- Block 2: May–June
- Block 3: October–December

Since we haven't scheduled any meetings yet, we'll do our best to center our travel around the first churches that schedule us within each block. This will allow us to visit more of our supporters rather than trekking back and forth across the country between meetings.

We're excited about what the Lord has ahead, and we would love the opportunity to share with you what He has done over these past 14 years—and what we believe He is preparing for the future.

If you would like us to visit your church during one of these blocks, please reach out to us! We'd love to hear from you and begin making plans.

Yours for the Rhine Valley,

The Browns
